¡VIVA LA GALA!

Vibrant • Innovative • Valued • Accessible education

Why VIVA la Gala? Viva la Gala represents our school community's excellent and unique characteristics.

Our **VIBRANT** student body reflects our community and those we are called to serve; each family has a unique history and background that enriches the culture of our school. With our **INNOVATIVE** two-way immersion language model, we are giving our students the tools they need for a bright future full of possibilities.

Bilingual education helps students effectively connect with people of different cultures and backgrounds, increasing their ability to empathize with others and promoting emotional intelligence. It is a gift that they will **VALUE** forever!

Our mission is to continue to make this education **ACCESSIBLE** for all, and with your help, we can continue this vital mission.

Thank you for donating to our Fund-a-need and supporting our Gala!
